POLI176 Final Project (SP22)

Christian Bankard, Beibei Du, Hugo Lopez (ranked in alphabetical order)

```
# Our research question: What effects did the Vietnam War have on American domestic issues?
# We predict the most discussed themes in the state of the Union with respect to Vietnam topics: drugs,
# We are going to use both LDA and STM for the Topic Modelling.
#Load package libraries that needed for our final project
library(tidyverse)
